

HOME CENTER & LUMBER CO.
**MENDO
MILL**

Dear Neighbor,

As an essential business and your local home center, Mendo Mill remains open and ready to serve our community during this uncertain time. The health and safety of our customers and employees remains our No. 1 priority, and we are committed to taking the necessary steps to help protect our neighbors.

As the situation continues to evolve, I wanted to take the opportunity to share an update on our efforts to support our customers and our employees. We continue to follow the guidance of the Center for Disease Control and Prevention (CDC) and have implemented the following temporary changes with your safety in mind:

- We are managing the number of customers and employees in our store at one time
- We have provided our employees with gloves and masks for further protection
- We're marking six-foot measurements by cashier stations
- Providing friendly reminders to customers to remain six feet apart while in store
- We have installed a protective shield at the registers to reduce contact
- We are staggering break times for employees
- We are requiring frequent hand-washing for employees
- We are frequently sanitizing high-touch areas, such as shopping carts and POS touchpads

We are also offering everything you need to keep your home running and your family safe. From home safety products to key cutting, air filters or batteries – we are here to help. If you have an emergency home repair in plumbing, electrical, or heating – we are here for you. As you stay in and cook out, Mendo Mill has all fuel types to keep your grill lit. And of course, we are striving to receive regular shipments of high-demand products including disinfectants and hand soaps.

You can Buy Online and select in-store pickup, Curbside pickup, or have your order delivered to your home. Visit us at acehardware.com or call us directly at the numbers below. We will deliver your order to your car, when you drive-up. You can also follow us on Facebook and Instagram for additional information.

Mendo Mill is honored to be part of this community. Our 'red-vested heroes' are here to help, with the essential products you need, when you need them. Thank you for your continued support and giving us the opportunity to serve you.

Here to help,

Mike Mayfield
